Herbology - Perform a little finger magic and turn newspaper into planting pots. Learn how to turn seeds into salads. Create an herbal garden for winter use.

Potions - Identify a few backyard weeds that make you sick or keep you healthy. Make some useful infusions and decoctions and perform some useful finger magic to create cups to hold them. Brew a little *Beata Potare*.

Charms - Find out if witches really can fly. Create better dreams with your own dream pillow.

Forbidden Forest Scavenger Hunt - Search for phoenix tears and centaur hair, bow truckle sheddings, and Hedwig feathers. Turn in your "treasures" for your own Familiar. Possibilities: kneasels, owls, bats, toads....maybe even a dragon! Perform some more finger magic to make your own personal Familiar.

Get your magic name from Wulfric the Wizard, who will be visiting our Harry Potter Happening during most of the day!
